Sex and Truth

by MiaQc

Summary

After making love with Rio, Jerrica reveals the truth about Jem's identity.

- A translation of Sexe et Vérité by MiaQc

Jerrica feels like she’s in a dream even though she’s awake. She and Rio are in her bed. Her love, Rio. He holds her tight, kissing her lips, her neck, her breasts, her nipples. His tongue revels in her arms and legs. His fingers touch her everywhere, penetrating her pussy to wet it from the inside.

As soon as Jerrica cum, Rio eagerly licks her pussy before penetrating it with his penis. Jerrica is in seventh heaven. Rio penetrates her relentlessly until he ejaculates. Then he stays lying next to her.

“Oh, Rio! I've been waiting for this night for so long!”

“I know, Jerrica.” He looks her in the eyes. “I know.” Then his body stiffens and he looks away.

“Rio, what's wrong?”

“This is stupid! I can't get Jem out of my head. Yet you're the one I love!”

“Speaking of Jem...” Jerrica said softly. “I think it's time you knew the truth.”

“What?”

“Rio, I... I... I am Jem.”

Jerrica's voice was trembling. She was afraid of losing him but Rio had to know.

“You, Jem? Impossible! I've seen you two together in the same room before.”

“I'll explain everything.”

Jerrica tells him everything. Synergy, the holograms, everything. Rio listens intently. His face, once happy and in love with Jerrica, turns to rage.

“How could you do this to me?!” He said as he abruptly got out of bed.

“Rio, I...”

“Flirting, seducing me as Jem... when Jem isn't even real?! It was you all along! Did you want to humiliate me? Make me look like a fool?”

“NO, Rio!” Jerrica gets up from bed. “I love you and I wanted to show it to you.”

“What a strange way to show me love, Jerrica, by lying to me, by deceiving me with an illusion!”

Rio gets dressed in a hurry.

“Rio?! Where are you going?”

“I'm going home. I have no reason to stay here anymore.”

“No, don't go!”

“Why should I stay? We had sex. Isn't that what you wanted?”

Jerrica held back her tears.

“I... I really love you... Rio, I... Is it... over between us?”

She would rather have her beloved's answer right away than later.

“Maybe. I'm too upset to make a decision.”

He says goodnight to her harshly, leaves the room, and Jerrica starts crying. Rio. She risks losing him.

To sleep, she dreams that he makes love to her once again. His fingers play with her nipples and her pussy. His penis slides between her breasts. Rio tells her he loves her.

“I love you, Rio,” Jerrica replied.

When Jerrica wakes up at dawn, she discovers, to her horror, that her Jemstar earrings are gone. Could Rio have stolen them? Breathing steadily to keep from panicking, Jerrica quickly gets dressed and leaves her room.
